

ARC REQUIREMENT

All forms can be sent via Email at: astrid@hayden-associates.com
must be submitted on the correct form.

PAINT:

- paint swatches applied in proper location on the form.
- color picture of the roof.

ROOF:

- color sample of the roof tile to be installed, (picture will suffice)
- front picture of your house.

LANDSCAPING:

professional plan or diagram where planting will be located (if you have a survey with locations marked will be adequate). If plants/trees are to be removed a picture must be included as well as a diagram of the location of said plant. Pictures of replacement landscaping would also be appreciated.

FENCES:

- copy of the survey, (survey can be found via title company used at the time of closing of the referred property) with the location of the fences clearly marked.
- Specs of fences.

POOL/POOL CAGE:

- copy of the survey with location of the cage/pool clearly marked.
- Specs of pool/pool cage must also be included

PAVERS:

- Copy of the survey with the areas to be paved clearly marked.
- Picture of Selected Pavers

STORM SHUTTERS/SCREENS:

Copy of the survey with the windows/screen locations clearly marked. Specs for shutters and screen must be included.
